

CLEANING ROTA -

There is a list on the kitchen notice board detailing items to be covered during a cleaning shift, and Liz Poskett / Rachel Wagstaff (Housekeepers) request stocks be used from under the sink first, and not directly from the backup main room corner cupboard. Please advise Housekeepers if stocks are low (and write on blackboard in kitchen). Please remember to check the vacuum cleaner bag and empty if getting full / put a new bag in - note the bags are of a disposable nature. Also check outside around the green, in those bins and inside bins during your cleaning shift, and please take any items requiring recycling and black bag home. The Club does not have a green bin / commercial licence so needs everyone's help to take home the general rubbish. Thanks everyone who has volunteered for this rota - much appreciated.

Week Beginning	Cleaning (on Monday or before Men's league Tues)	Tick DONE
April 24th	Gill Meadows + Jo Slatter	
May 1st	all games have been Away
