8. Rinks are to stay as set by the Greenkeeper – normally at the minimum allowed by the Laws of the Sport of 4.3 metres.

The Greenkeeper’s decisions on the fitness of the green for play, or not, are final. If he is not available please use common sense on using the green in wet conditions. Use the ground sheets if necessary.

9. All players shall be on the green ready to play by the agreed start time. Any player arriving fifteen minutes after the agreed start time may be eliminated from the competition.

10. The completed score card must be signed by ONE PLAYER FROM EACH SIDE and placed in the results box.

11. Four Wood Singles matches to be played to **21 shots**.

Two Wood singles matches to be played to **21 ends**

If the scores are tied at the end of 21 ends an extra end shall be played.

Two Wood pairs to be played to **21 ends**.

If the scores are tied at the end of 21 ends an extra end shall be played

Four Wood Pairs to be played to **18 ends**.

If the scores are tied at the end of 18 ends an extra end shall be played

Mixed Pairs to be best of 3 sets, with each set comprising 7 ends.

Each set must be played to a result. If the point scores are equal at the end of a set, an extra end (or ends) shall be played to decide the winner.

All matches will be drawn. However entries for the mixed pairs competition will be accepted from pairs (already agreed). Anyone else entering on their own will have their names drawn with a partner who has also entered on their own whenever possible.

12. The Handicap Competition

101 points are required to be reached to achieve a winning result. Points are awarded thus: -

Shot 4 points, Second wood 3 points, Third wood 2 points, Fourth wood 1 point.

If two opposing woods are equidistant from the jack then the points shall be shared (e.g. Equal first 3.5 points each, equal second 2.5 points each, equal third 1.5 points each, equal fourth 0.5 point each)

At the start of the match the handicaps of both players must be entered on the score card at "first end" space. Play then proceeds until 101 (or more) is reached by adding actual scores to the handicap already entered. In the event of a player reaching 97, 98, 99 or 100 points, the next end is played in its entirety and the scores added to total score.

The player with the highest score is the winner. (e.g. A is on 97, B is on 96. A has shot – 4 points. B has 2nd, 3rd and 4th – 6 points. Final score is A 101, B 102 – B is the Winner). If both reach the same total of 101 (or more) on completion of an end, play is continued until a result is achieved. All woods in an end must be counted.
